## OCCUPATIONAL HEALTH AND SAFETY POLICY

NACIONAL DE GRAFITE aware of its responsibility adopts a policy that aims to preserve the health and safety of its workers.

### OBJECTIVE:

To continuously strive for excellence in Health and Safety at Work, through an efficient technical structure, which guarantees the adequate conditions in the work places and the well-being of the worker.

### COMPANY COMMITMENTS:

- Identify and manage risks that may cause damage to the health of workers, employees or not, associated with their activities, processes, facilities, products or services, always seeking to eliminate danger and reduce risks;
- To act preventively in the management of risks to the Health and Safety of people and the integrity of the facilities;
- Meet the established Health and Safety legal and other internal requirements;
- Continuously improve performance in Health and Safety through an effective management system, focusing on the use of innovative solutions and the development of people, through the training process;
- Provide human, material and financial resources to meet legal and / or necessary requirements for effective management;
- Support the Internal Mining Accident Prevention Commission, which, composed of representatives of employees and employer, proactively contributes to the maintenance of health and safety at work.

### APPLICATION:

This Policy applies to all industrial units of NACIONAL DE GRAFITE.

Clóvis Cordeiro Rudge Ramos
